INFORMATION REGARDING THE PROVISION OF PAYMENT SERVICES

What are the purposes of the processing?

The client wishing to reserve the property must use payment services.

The payment services required for the Platform are provided by the Payment Service Provider.

The Payment Service Provider, in order to provide payment services, is legally required to carry out anti-money laundering, anti-terrorist financing and anti-fraud controls.

Therefore, the payment service provider, the Owner and Blueside-Home process Customer data for:

- **The provision of payment services**

Legal base:

- Contractual: the processing is necessary for the execution of pre-contractual measures taken at Your request, for the provision of payment services.

- **The implementation of control procedures**

Legal base:

- Legal obligation: processing of data necessary to fight against fraud, terrorist financing and money laundering pursuant to a legal obligation incurring on the PSP as a payment service provider.

What is the status of the various parties involved?

Data processing for the implementation of control procedures

The Payment Service Provider is legally obliged to process the data necessary for the implementation of control procedures. In this respect, the Payment Service Provider must be considered as the Data Controller for the implementation of the control procedures.

Processing of payment data for the execution of transactions

With respect to the processing of payment data for the purpose of carrying out transactions, the PSP has to be considered as the processor, carrying out the processing on behalf of the users of its services.

When the Owner is a professional, he is the Data Controller.

When Blueside-Home processes data related to the transactions necessary for the Booking, Blueside-Home acts as Data Controller, regardless of the status of the Owner.

More details

The Platform's payment service provider is Stripe (<https://stripe.com/fr/legal>), which is subject, as such, to all legal and regulatory obligations applicable to Payment Institutions under French jurisdiction.

If You have any questions regarding the management and use of Your personal data, You may contact the PSP or Blueside-Home:

- Either by email, to support@blueside-home.com
- Or by mailing a letter, at the following address: 229 rue Saint-Honoré – 75001 Paris
- Or by phone at +33 1 89 27 91 71

Legal reminder: According to the Data Protection Act and the GDPR, **the Data Controller** is the person who determines the means and purposes of the processing of personal data. When two or more Data controllers jointly determine the purposes and means of the processing, they are called **Joint Data controllers**. **The Data processor** processes personal data on behalf of the Controller and acts under the Controller's authority.

Concerning data collection and processing of banking data

As part of the operation of the Platform, Blueside-Home may collect personal data relating to Your payment data. This data is processed in accordance with the purposes for which it was collected.

The mandatory or optional nature of the personal data requested and the possible consequences of a lack of response in Your regard are specified at the time of their collection.

Personal data concerning the payment, that Blueside-Home may have about You are, as follows:

For the provision of payment services and the performance of control procedures	<ul style="list-style-type: none"> - Means of payment data: postal or bank statement, name of the person holding the bank account; - Transaction data such as transaction number, purchase details; - Invoice payment data: payment terms, discounts granted, receipts, balances and outstanding payments.
---	---

The data necessary for payment is collected by the Payment Service Provider, through the software solution implemented on the Platform, during the Booking process. It is then stored on the PSP's secure servers and, in some cases, transmitted to the Owners.

Transaction data (invoices, transaction details, Owner and Customer information) are processed by Blueside-Home or by the Professional Owners, if applicable, as separate data controllers.

It is expressly agreed that, Blueside-Home the Payment Service Provider and other parties involved in the processing of the data:

- Will not process the data in a way that is incompatible with the defined purposes;
- Will take all technical and organizational measures to ensure the security and confidentiality of the Customer's personal data.

Consent

The processing of the Customer's personal data is necessary for the payment of the Bookings. As the Customer has chosen to book a Property, Blueside-Home and the Payment Service Provider do not need to obtain the Customer's consent, such processing being necessary for the performance of the service contract and the provision of the associated payment services.

In addition, the PSP processes customer data necessary to fight against fraud, terrorist financing and money laundering as part of its legal obligation as an authorized banking institution.

Payment data retention period

Except as provided in the following paragraphs, bank details will cease to be retained as soon as the transaction has been completed by the Payment Service Provider, i.e. as soon as full payment, for the desired Booking, has been received by the Owner.

It should be noted that for payments made by credit cards, such data may be retained as evidence if the transaction is disputed, in temporary files for a period of thirteen (13) months (or fifteen (15) months in case of postponed payment). In any case, the visual cryptogram is not concerned by this data retention, and the bank account details are deleted at the expiration of the date indicated above.

For a longer retention of Your payment data in order to avoid having to fill it in for each transaction, Your consent will be expressly requested and the data will be retained until (i) the expiration of the validity date or (ii) the termination of the contract between You and Blueside-Home.

You may at any time reverse your decision and delete and/or modify this data
